

Coconut Crab Class

November 2022

In Literacy we have read *When Hitler Stole Pink Rabbit* by Judith Kerr and *Clockwork* by Philip Pullman and these books have provided the inspiration for much of our written works. We have finished Book 6A in Mathematics, including the very tricky word problems at the end. In Science we have been learning about human biology. In the afternoons we join the other students to learn about myths and legends in IPC. It has been a very busy and productive month.
