

# Snow MONKEY

## YEAR 3 CLASS

**BLOG:** *Ms. Mareca*  
**LAYOUT:** *Mr. Jonathan*

We have almost reached the end of the year here at Rokkasho International School and we are preparing to show our parents the work we have completed. It has been another extremely productive year, with lots of progress having been made by all the children. We are sadly saying goodbye to one of our friends who will be returning to France, but in September there will be a new family arriving which we are all very excited about. Goodbye for now and see you in September.
